Nader is a Director in Pfizer's US Policy Group, responsible for Biosimilars policy and healthcare cost containment. Prior to joining Pfizer, Nader was a member of Genentech's Commercial Assessments team. Nader began his career as a biologist at the National Institutes of Health, and has also worked as a consultant at Quintiles, Avalere, and Booz Allen. Nader graduated from San Diego State University with a BS in Biology. He also holds a PhD in Molecular and Cell Biology from the Uniformed Services University of the Health Sciences, an MPH in Health Economics from The Johns Hopkins University and an MBA in Healthcare Management, also from Johns Hopkins.
